

REMARKS

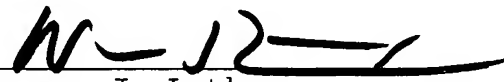

The Official Action of March 4, 2005, and the prior art cited and relied upon therein have been carefully studied. The claims in the application are now claims 1-5 and 7-18, and these claims define patentable subject matter warranting their allowance. Favorable reconsideration and such allowance are respectfully urged.

Claims 1-5 and 7-18 remain in the application for consideration.

Applicant thanks the Examiner for his indication that claims 1-5 and 7-18 have been allowed and the application is in condition for allowance, except for formal matters, for which the Examiner suggests corrections in claims 1 and 13.

In response, Applicant has made the suggested corrections in claims 1 and 13. Accordingly, Applicant respectfully submits that the application is now in condition for allowance.

Respectfully submitted,
BROWDY AND NEIMARK, P.L.L.C.
